

PUREPRO® ADVANCED HEATING OIL ADDITIVE

WP-3

Sludge Buster & De-Icer Concentrate

Next generation, fuel oil additive that stabilizes fuel, dissolves sludge, lowers pour point and disperses water. Helps prevent fuel line freeze-ups.

- Stabilizes fuel and dissolves sludge
- Inhibits rust and tank corrosion
- Lowers pour point for better cold weather combustion
- Disperses water and prevents waxing
- Melts ice and helps prevent fuel line freeze-ups
- Fights carbon build-up
- Promotes clean combustion
- Reduces soot
